

GLORY GLORY

© Myles Bing 1998

Glory, glory to the King
Glory, glory to the King

He laid His life down for me
And took away my sin
And because of Him
I'm gonna dance and sing to Him

Glory...

And as for the rest of my life
Will be steady like a river
I'm going to run the race for Jesus
And for the rest of my life
All it's gonna be is...
