

DANCE BEFORE THE LORD

© Myles Bing 2000

Dance before the Lord with all your might
Be something pleasing in His sight
Let your body be a sacrifice
As you dance, dance, dance before the Lord

Oh, move your feet
To that glorious beat
Oh, move your feet
To the rhythm of your beating heart
Ah! ah! ah! ah!

Oh, the Lord will roar from on high
A mighty noise will fill the sky
Join your voice in His battle cry
As you shout, shout, shout before the Lord...

Make a joyful noise to the Lord
Lift your voice in one accord
Give the Lord a loud applause
As you clap, clap, clap before the Lord...
