

Wider than the Ocean

© Myles Bing

^E
Wider than the ocean, deeper than the sea
^E ^A ^E
Is the God of Heaven and His love for me
^E ^B
I love Him, but He first loved me
^E ^{E7}
And that is why my heart is free
^A ^{Am}
Wider than the ocean
^E ^B
Is His love for me
^A ^E

^E
Longer than a life time
^A ^E
Higher than the sky
^E
Is my God's love for me
^B
And let me tell you why
^E ^{E7}
He died and then He rose again
^A ^{Am}
And now I'm living free from sin
^A ^B ^A ^E
Longer than a lifetime, is His love for me

^E ^A ^E ^E ^B
Higher, wider, deeper, longer
^E ^{E7} ^A ^{Am}
Is His great love
^E
High, wide, deep, long
^A ^B ^E
Is His love for me!
