

# AWAKE MY SOUL

© Myles Bing 2001

A/B      Emaj7      A2                      Emaj7  
Awake my soul and sing to the God of heaven  
C#M7      A2                      B      A/B  
Awake my soul and sing to the one I love  
Emaj7      E7                      A      F#M7  
Awake my soul and sing to the King of Glory  
Emaj7      B                      Emaj7      Esus  
Awake my soul in praise to the God of Love

Emaj7      A2                      Emaj7  
In majesty, resplendent light, He's seated  
C#M7      A2                      B      A/B  
On bowed knee, we'll come before His throne  
Emaj7      E7                      A      F#M7  
Creation there, is gathered, praise proclaiming  
Emaj7      B                      Emaj7      Esus  
And at His feet the laying of our crowns

Emaj7      A2                      Emaj7  
Who can deny how wonderful our God is  
C#M7      A2                      B      A/B  
His handiwork displayed for all to see  
Emaj7      E7                      A      F#M7  
My humble frame a speck in His creation  
Emaj7      B                      Emaj7      Esus  
And yet He gave His precious life for me

Bridge:

B/C#                      A/B  
Awake my soul, awake my soul and sing
