

AWAKE MY SOUL

© Myles Bing 2001

Awake my soul and sing
To the God of Heaven
Awake my soul and sing to the one I love
Awake my soul and sing to the King of Glory
Awake my soul in praise to the God of Love

In Majesty, resplendent light, He's seated
On bowed knee, we'll come before His throne
Creation there is gathered,
Praise proclaiming
And at His Feet the laying of our crowns

Who can deny how Wonderful our God is
His handiwork displayed for all to see
My humble frame a speck in His Creation
And yet He gave His precious life for me

Bridge:

Awake my soul, awake my soul and sing
