

WHAT I GOT
© Myles Bing 2001

I'm more than happy with what I got
Some people would say it's quite a lot
Some people would say it's not!
You care so much for me Lord
I'm more than happy with what I got

Bigger isn't always better
And new doesn't always work
Why is it that new fangled thing
Is soon driving me bizerk!

Bridge:

I'm happy with much, I'm happy without
Whatever it is, I'm happy about
'Cause everything is from Your hand
Big or small or dull or grand

The ads can sometimes trick you
And take you for a ride
But the grass isn't any greener
On the other side!
